Supplemental Information Regarding Annual and Quarterly Tax Return Filing Requirements and Filing Extensions

Revised December 1, 2023

Annual Tax Return Requirement

Any person who resides in either Lancaster County or the Octorara Area School District in Chester County during any part of a given year and who received either earned income or net profits during that year is **REQUIRED** to file a **Local Earned Income & Net Profits Tax Return** with the Lancaster County Tax Collection Bureau – or "**LCTCB**" – for that year. There are no exceptions to the requirement. Thus, you must file a return even if you filed quarterly returns for the year, your employer withheld the tax from your paycheck, and even if you do not owe any tax. Generally, the tax return is due on or before April 15 following the year being reported on the return. Very importantly, you **must** file an annual tax return even if you do not receive a tax return form or other notice from LCTCB.

It is also **STRONGLY RECOMMENDED** that any person who resides in either Lancaster County or the Octorara Area School District in Chester County during any part of a particular year – but who did not receive earned income or net profits during that year – also file an annual return noting "no income or retired" **IF** the taxpayer was required to file an annual return for the year preceding the year in which no income was earned. That information will provide LCTCB that the taxpayer should be dropped from the mailing lists and ensure Non-Filer interest, penalties, fines, and collection costs (late fee) should not be assessed against the taxpayer.

Quarterly Tax Return and Payment Requirement

In addition to the annual tax return filing requirement, any person who is otherwise required to file an annual return and who is either self-employed or does not have the tax withheld from his or her paycheck must file quarterly tax returns and make quarterly estimated tax payments. However, the quarterly return filing requirement does not apply to individuals with an annual income of less than \$50,000. A person who is required to file on a quarterly basis shall file quarterly returns and make quarterly tax payments 30 days after the end of each calendar quarter. Quarterly tax payments are due on April 15th, July 15th, and October 15th of the current tax year and January 15th of the succeeding tax year. These due dates are extended to the next business day for any date that falls on a weekend or holiday.

If you have additional questions about quarterly filing and quarterly estimated tax payments, we encourage you to consult the LCTCB Earned Income and Net Profits Tax Regulations posted at <u>www.lctcb.org</u> and also your professional advisors.

Consequences for Failure to File

If you are required to file an annual or quarterly tax return and you either fail to do so or the tax return is postmarked after the due date, you may be subject to interest and penalties for any tax you failed to pay by the due date **AND** a \$25 late fee could be charged to cover the costs incurred by LCTCB in identifying, pursuing, notifying you of, and processing your late return.

Extension of Time to File an Annual Tax Return

LCTCB grants annual tax return filing extensions if LCTCB <u>receives</u> an extension request <u>on or before</u> the original due date for the return.

You can make an extension request by submitting any of the following to LCTCB on a timely basis: (1) an online request using our <u>https://directpay.lctcb.org/</u> website; (2) a copy of your extension request to either the Internal Revenue Service or the Pennsylvania Department of Revenue for the tax year at issue; (3) a copy of documentation establishing the IRS or Department granted you an extension for the tax year at issue; or (4) marking the "Extension request" box under "Check all that apply" on the LCTCB annual return form for the tax year at issue with an "X" and returning the marked form to LCTCB with the necessary information to identify you.

Very importantly, filing an extension request does <u>not</u> extend the time to pay any tax due. <u>In that respect, LCTCB follows the practice of the Pennsylvania Department of</u> <u>Revenue</u>. 61 Pa. Code § 117.14(a).

Accordingly, if you file an extension request, you <u>must</u> include with the request an estimated payment equal to what you believe you will owe for the tax year at issue. All such payments must be made based on reasonable estimates. Guidance as to what constitutes a reasonable estimate can be found in LCTCB Earned Income and Net Profits Tax Regulation Section 404.

If you file an untimely extension request, make an untimely payment of estimated tax, or make a timely payment of estimated tax based on an unreasonable estimate of tax liability, you will be subject to interest and penalties for any tax you failed to pay by the due date **AND** a \$25 late fee to cover the costs incurred by LCTCB in addressing your particular circumstances.

Important Note for Tax Preparers – As has been the practice for many years, if you submit a list of individual taxpayers for whom you have filed an extension with the IRS or Pennsylvania Department of Revenue and the list meets the requirements in this paragraph, LCTCB will consider the list as an extension request for all taxpayers listed. Any such list <u>must</u> be received by LCTCB on or before the original annual return due date and <u>must</u> include each taxpayer's full name, complete and current address, and social security number. Please note that any taxpayer for whom an extension is requested by list is still

subject to the requirement to make an estimated tax payment when the extension request is filed.

General Information

If you filed a return the previous year, you will receive either a printed return and instructions or a postcard reminder to file your return for the new tax year. Failure to receive a tax return, postcard or other notification by mail does not relieve you of your obligation to file an annual return.

You are encouraged to file your return electronically by using LCTCB eFiling available through the website at <u>https://efile.lctcb.org/</u>. Successfully completing a return online will give you an instant confirmation number that your return has been submitted and that you can use as a reference in future communication with LCTCB. If payment is due, you must also complete the payment step in the online process or you will be charged interest, penalty, and a late payment fee.

If you mail a paper return using the USPS, you are encouraged to keep a copy of your signed return. Failure of the USPS to deliver your return may result in a late filing fee charge to you.

If you use a tax preparer please note that most preparers do not mail the local tax return for you, mailing the return is your responsibility. If the preparer tells you that your local return was filed electronically, be sure to request a copy of the confirmation form for your records.

If you use TurboTax or other tax preparation software please note that while these programs can include a PA State tax return, **they DO NOT INCLUDE PA LOCAL TAX RETURNS**. Your local return will need to be prepared outside of these software packages. Again, we encourage you to file your return electronically by using LCTCB eFiling available through the website at <u>https://efile.lctcb.org/</u>.
